

#Permission to SMILE 

GREET SOMEONE TODAY

KEEP OURSELVES TO OURSELVES?

OR, BETTER, MORE FRIENDLINESS, SMILING,
GREETING, HELPING AND JOINING TOGETHER
TO MAKE A DIFFERENCE.

If you're with us on this, please:

- Display this car/window sticker (overleaf) to encourage others.
- Support our social networking (all links on our website).
- Link and act with like-minded locals via our website's Meeting Point.
- Smile, greet and help to 'melt the ice' where you live!

TOGETHER, WE CAN ACHIEVE THE 'SOCIAL WARMING' WE WANT AND NEED!
